Maya Lindqvist

Product designer

Gothenburg, Sweden · Available from January 2027

Profile

Product designer with six years in consumer fintech. I turn research into simple flows and keep design systems tidy enough that engineers enjoy using them.

Experience

Senior product designer 2022 – now

Northlake Pay, Gothenburg

- Led the redesign of card onboarding; completion rose from 61% to 78%.
- Built and maintain a design system of 140 components used by four teams.

Product designer 2019 – 2022

Fjord Mobile, Stockholm

- Designed the savings goals feature used by 300,000 customers.
- Ran fortnightly usability sessions with customers over 60.

Skills

Figma, prototyping, usability testing, information architecture, accessibility (WCAG 2.2)

Education

BA Interaction Design, Malmö University, 2019
